

DoVA YVCC Department of Visual Arts

Welcome to the annual Department of Visual Arts student and faculty exhibit. This exhibit has been a fixture in the Larson Gallery for more than 40 years; we thank the Gallery for giving our students a professional venue in which to display their work, and for their tireless installation of this work.

The pieces you see displayed were completed during Spring, Summer and Fall quarters of 2015 and Winter quarter 2016; this quarter's work will appear in next year's exhibit. Instructors may request specific works from their students, or a selection process involving an entire class might be used. Not all work originally earmarked for the exhibit will make it past the instructors' final selection which is based on quality, craftsmanship, expression and representation of the class as a whole.

Thank you to ...

- the award sponsors for the encouragement and validation their awards represent;
- the ASYVCC for their continued purchase of student art that graces the walls of the Hopf Union Building;
- the students for allowing DoVA to display their work;
- and the public for visiting this exhibit and sharing our student's success and pride.
